Personal Profile

A graduate student who is enrolled in the Computer Science Engineering. Dedicated to software engineering and specializing in full-stack web development, and algorithms. Searching mostly for Front-End Developer, and Full Stack Developer positions.

Education

St Andrews Institute of Technology and Management

BTECH in Computer Science and Engineering

Haryana, India

Aug 2019 - Sept 2023

- Worked as a PAL Mentor
- **Courses:** Compiler Design, Data Structure And Algorithms, Computer Network, Database Management System, Artificial Intelligence, Object Oriented Programming, Operating Systems

R.K.S Inter Collage

High School

Bihar, India

Apr 2016 - Apr 2019

- Passed with Distinction
- Specialised in Physics, Chemistry, and Maths

Work Experience

QUAINTEC IT PVT. LTD.

Front-End Developer

SUMMER INTERN

Noida, India

May 2022 - July 2022

- My internship experience as a ReactJS developer provided valuable insights into front-end development practices and methodologies.
- Successfully implemented UI components and features according to design specifications, ensuring a seamless user experience.
- Assisted in debugging and troubleshooting frontend issues, gaining valuable experience in identifying and resolving technical challenges.
- Demonstrated adaptability and quick learning by rapidly familiarizing oneself with the company's development environment, tools, and workflows.
- **Technical Skills:** HTML, CSS, Javascript, Reactjs, Bootstrap, Nodejs, MongoDB, Rest API, Git.
- **Soft Skills:** Teamwork, Time Management, Communication, Presentation skills.

Projects

Snapgram

Instagram Clone

Feb 2024 - Mar 2024

- Utilized expertise in ReactJS, TypeScript, React Query, Tailwind CSS, Appwrite, and Shadcn/UI to develop a comprehensive social media clone.
- Leveraging the power of Appwrite for backend functionalities and the intuitive UI components from Shadcn/UI, I crafted a dynamic platform that emulates the essence of social networking.
- This project showcases my ability to integrate various technologies seamlessly to create engaging and user-friendly applications.
- **Technical Skills:** Reactjs, Tailwind CSS, Typescript, React Query, Shadcn/UI, Appwrite, Git.

Amazon Clone

St Andrews Institute of Technology and Management

Haryana, India

Mar 2023 - Apr 2023

- Developed an Amazon clone utilizing ReactJS and Firebase, showcasing expertise in frontend development and cloud services integration .
- Implemented key features such as product browsing, cart management, and checkout processes, ensuring a seamless user experience .
- This project demonstrates proficiency in modern web technologies and the ability to deliver functional and user-friendly applications.
- **Technical Skills:** ReactJS, CSS , Javascript, Firebase, Git.
- **Soft Skills:** Report writing, Team Management, Time Management.

Skills

Programming Java, C/C++, HTML/CSS, JavaScript, ReactJS, TailWind CSS, BootStrap, Nodejs, TypeScript, MongoDB, SQL.

Miscellaneous Microsoft Office, Firebase, Git, Appwrite, React Query.

Soft Skills Time Management, Teamwork, Problem-solving, Documentation, Engaging Presentation.

Achievements

2019	, Automatic Street Light Control by Detecting Vehicle Movement: Achieved the 3rd rank in the college Group Project Exhibition with excellent performance	India
2018	, Gold Medal at Inter-School Carrom Competition	India
2018	, 1st Prize both at Headquarters and Inter-Division level in 110m hurdle race.	India
2017	, Badminton Tournament at state level: 1st prize with cash prize of Rs.5000.	India

Interests

Cooking	I love cooking. I am an expert in most Indian-style cooking, and I enjoy baking and making my pizza.
Reading Books	I love reading because it helps me to relax after a long day and escape from reality for a while. It also improves my knowledge and vocabulary.
Badminton	I love to play badminton. I got a first prize at the state-level tournament
Video Games	I always had the gaming gene. I mostly play on my phone and occasionally on my switch.
Swimming	I started swimming when I was 12. Going through submerged things while holding my breath was the most exciting part.

Languages

English	Professional proficiency
Hindi	Native proficiency
